

sScale Instructions

(c) 2005 Lance Putnam

Algorithm

Mouse

Left + drag
Middle + drag
Right + drag

Comb filter delay time
Blur amount
Zoom

Keyboard

0-9 World number

n Positive or negative feedback
v Randomize random number generator parameters
g Randomize everything
z Mute inputs to comb filters
x Freeze toggle

f Toggle FFT mode
c Blur toggle
d 2D / 3D toggle (time-domain only)
p Vertex drawing mode (points, lines, line-strip, triangles, triangle-strip, quad, quad-strip)
i Front-face polygon drawing mode (point, line, fill)
o Back-face polygon drawing mode
tab Color toggle

q Increment rotation speed around y-axis
w Decrement rotation speed around y-axis

cmd-q Quit
