Tracking California

@TrackingCA

How will this excessive winter heat in the Central Coast affect farmworkers? We are working with [@MICOP805](#) [@LCampesinas](#) and [@CAUSE805](#) to campaign for a heat alert system for farmworkers with audio messages in Spanish and Indigenous languages. [washingtonpost.com/weather/2022/0...](https://www.washingtonpost.com/weather/2022/0...)
