

# Mushrooms

Salman Bakht

Ov - er - night, ve - ry white - ly, dis - creet - ly,

ve - ry quiet - ly, our toes, our nos - es

take hold on the loam, ac - quire the air.

No - bo - dy sees us, stops us,

be - trays us; small grains make room.

Soft fists in - sist on hea - ving the need - les,

the lea - fy bed - ding, ev - en the pav - ing.

Our ham - mers, our rams, ear - less and eye - less,

per - fect - ly voice - less, wi - den the cran - nies,

shoul - der through holes. We di - et on wa - ter,
